Brand New Book ***** Print on Demand *****.Excerpt from The Complaint of Mexico: And Conspiracy Against Liberty The following pages, written in the summer of 1842, to expose the dishonest policy of the Government of the United States, in its intercourse with Mexico, and to develop the nefarious plot of the South, to annex Texas to the United States, for the extension and perpetuation of Slavery, will have accomplished the utmost desire of their author, should they in any wise contribute to produce better national counsels, and to frustrate that conspiracy of ambition, avarice, and tyranny which is so earnest and impatient to circumvent the Free States. After long delay, not needful to account for, they are now published, in consequence of recent public notices, given in different parts of the country, and coming from high and credible sources of information, that the conspiracy against liberty is to be consummated at the approaching session of Congress.
