Brand New Book ***** Print on Demand *****.Excerpt from A Short History of the Catholic Church in England When our Saviour sent forth His Apostles to preach the Gospel Britain had already come under the power of the Roman Emperors. In the designs of God s providence this vast empire was destined to aid in spreading far and wide the Christian faith. And so it came to pass that this distant island and Jerusalem, where by Christ s death on the cross the redemption of the world was accomplished, then formed parts of a worldwide organised system of government whose centre was at Rome. The inhabitants of the land, who were called Britons, seem to have possessed a not inconsiderable measure of civilisation, and their subjugation by the Romans was only effected after a long and stubborn resistance.
