

Automotive Electrical and Engine Performance

By James D. Halderman

Pearson Education (US), United States, 2015. Paperback. Book Condition: New. 7th Revised edition. 274 x 213 mm. Language: English . Brand New Book. Prepare tomorrow s automotive professionals for success. Automotive Electrical and Engine Performance covers content and topics specified for both Electrical/Electronic System (A6) and Engine Performance (A8) by ASE/NATEF, as well as the practical skills that technicians must master to be successful in the industry. Tomorrow s automotive professionals get a firm background in the principles and practices of diagnosing and troubleshooting automotive electrical, electronic, and computer systems in a clear, concise format at a level of detail that far exceeds most other texts in the area. Formatted to appeal to today s technical trade students-and ideal as a reference and resource for today s automotive technicians-Halderman s text uses helpful tips and visuals to bring concepts to life and guide readers through actual, on-the-job procedures. To ensure that readers are current, all of the content has been updated to correlate to the latest NATEF tasks and ASE areas; many new full-color line drawings and photos have been added; a new chapter covers gasoline direct injection (GDI) systems; and new, updated, or expanded information has been included on...
