Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Generations of Virtue. Paperback. Book Condition: New. Paperback. 86 pages. Dimensions: 8.3in. x 5.4in. x 0.3in. Written by the founders of Generations of Virtue (various women and teenagers), this set of booklets is specifically designed to help guide girls and their mothers through the passage from girlhood to womanhood. These books focus on the first period and explore the idea that women are blessed with Gods gift to be able to give life. Our culture has made a womans period out to be a burden, but our desire is to communicate the wonder of Gods creation and celebrate the positive aspects of womanhood, not the negatives. Womens Wisdom: A Mothers Guide- Are you anxious about your daughter starting her period Generations of Virtue has compiled a wonderful resource for mothers to lovingly guide their daughters into womanhood. This book contains ideas on how to celebrate with your daughter, an informative section on the biology behind womens bodies, how and when to tell your daughter about her period, and some of the surprises associated with a developing daughter (for instance, mood swings). This biblically-focused book can help every mother explain some of the intricacies of womanhood to her precious girl. This book is for Mothers of preteen girls.
