AGATHOS, THE ROCKY ISLAND: AND OTHER STORIES

White Tree Publishing, United Kingdom, 2011. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.Once upon a time there were two favorite books for Sunday reading: Parables From Nature and Agathos and The Rocky Island. These books contained all sorts of short stories, usually with a hidden meaning. In this illustrated book there is a selection of the very best of these stories, carefully retold to preserve the feel of the originals, coupled with ease of reading and understanding for today's readers. Discover the king who sent his servants to trade in a foreign city; the butterfly who thought her eggs would hatch into baby butterflies; and the two boys who decided to explore the forbidden land beyond the castle boundary. The spider that kept being blown in the wind; the soldier who had to fight a dragon; the four children who had to find their way through a dark and dangerous forest. These are just six of the nine stories in this collection. Oh, and there's also one about a rocky island! This is a book for a young person to read alone; a family or parent to read aloud; Sunday school teachers to read to the class; and even for grownups who want to dip into the fascinating stories of the past all by themselves. Can you discover the hidden meanings? You don't have to wait until Sunday before starting! Chris Wright is the author of over thirty books, starting with young fiction for an English Christian publisher in 1966. He has written both fiction and non-fiction, mostly with a Christian theme, for a variety of publishers. Chris is married with three grownup children, and lives in the West Country of England where he is...
