This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2003 in the subject English Language and Literature Studies - Culture and Applied Geography, grade: 1,3, Technical University of Braunschweig, 5 entries in the bibliography, language: English, abstract: Worse than the economic impact of the Depression were its psychological effects on the people: unemployment and hunger lead to moral depression, distrust, and the downfall of traditional legal norms. Consequently, criminality became a major problem which politicians did not seem to be able to stop. It was an open secret that gangsters such as Al Capone made a lot of money by trading with alcoholic beverages during Prohibition and gained a lot of political influence by this. Chicago is commonly seen as the place where gangdom first developed. Its gangster image still clings to the city today. The most prominent events and people related to the gangs of Chicago were Al Capone and the War of Sicilian Succession which resulted in the St Valentine s Day Massacre, leaving seven gang leaders killed and Capone as the new czar of the underworld. For the...
