Brand New Book ***** Print on Demand *****.They push men for commitment They get what they want They lose interest in sex They become attracted to someone else They start cheating They become angry and resentful They begin telling their partners that they need time apart They blame their partners for their behavior.and eventually, after making themselves and everyone around them miserable for an indefinite, but usually, long period of time, they end their relationships or marriages. If you re a male, like most other males, you would probably never suspect that your partner is cheating, not only because of your wife s or girlfriend s seeming disinterest in sex; but also because you have the belief that your wife or girlfriend is a good girl. Unfortunately, males are frequently left/divorced by their wives and girlfriends without ever knowing about their wives and girlfriends infidelities. You need to have access to all the informations in this marvelous book buy to know more.
