How to Harvest Water

By Ljiljana Baird

PAVILION BOOKS, United Kingdom, 2011. Paperback. Book Condition: New. 148 x 144 mm. Language: English . Brand New Book. Water is one of our most precious resources and today we are faced with the challenge of how we can make the most out of it. We know about recycling our bottles and cans and kitchen waste, but how much do we know about conserving water? Do we know how much water we use daily? Do we know how much we waste? With many practical water-saving and water-gathering tasks for the home and garden, How to Harvest Water shows us how we can do our bit for the planet. With the arrival of smart water meters and a general increased interest in green issues, this quirky and accessible guide is perfect for anyone interested in the environment and conservation.
