Createspace, United States, 2015. Paperback. Book Condition: New. Illustrated. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Gods of Mars (1918) is a Edgar Rice Burroughs science fiction novel, the second of his famous Barsoom series. It was first published in All-Story as a five-part serial in the issues for January-May 1913. It was later published as a complete novel by A. C. McClurg in September, 1918. Throughout his novels, Burroughs uses the classic device of a fictional Foreword or Preface that suggests that the contents of the following story reflect true events. At the end of the first book, A Princess of Mars, John Carter is unwillingly transported back to Earth. The Gods of Mars begins with his arrival back on Barsoom (Mars) after a ten-year separation from his wife Dejah Thoris, his unborn child, and the Red Martian people of the nation of Helium, whom he has adopted as his own. Unfortunately, Carter materializes in the one place on Barsoom from which nobody is allowed to depart: the Valley Dor, which is the Barsoomian afterlife.
