## The Athletic Trainers Guide to Psychosocial Intervention and Referral

By Gary M. Miller PhD

Slack Incorporated. Hardcover. Book Condition: New. Hardcover. 336 pages. Dimensions: 10.2in. x 6.9in. x 1.0in. In the dynamic world of athletic training, it is important for students and clinicians to be comfortable and capable of dealing with the mental, sociocultural, emotional, and physical behaviors of their clients. The Athletic Trainers Guide to Psychosocial Intervention and Referral is the perfect guide to assist athletic training educators and practicing clinicians with the necessary knowledge and skills to manage psychosocial issues in athletic training. Dr. James Mensch and Dr. Gary M. Miller have designed this text to help assimilate into practical application the cognitive and psychomotor competencies and clinical proficiencies pertaining to the Psychosocial Intervention and Referral domain outlined in the 2006 National Athletic Trainers Association Educational Competencies, Fourth Edition. Educators will welcome information relating to specific strategies to assist in teaching psychosocial content to athletic training students. In the clinical setting, detailed approaches, models, and protocols for referrals will be of value to practicing athletic trainers dealing with a variety of psychosocial issues. The Athletic Trainers Guide to Psychosocial Intervention and Referral provides appropriate intervention strategies and referral techniques specific to the role of an athletic trainer to initiate recovery for any patient/client...
