Brand New Book ***** Print on Demand *****.In *Stop Sabotaging Your Life: 3 Steps To Your Full Potential*, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence. How many times have you caught yourself thinking something like this?: I m not enough-good enough.smart enough.good looking enough.successful enough. LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams. LoGreco doesn t claim his book will cure everything that ails you. As he says, There is no secret formula, no magic pill that will make you happy, productive, and successful. You must challenge your beliefs and take back control of your choices. Don t just think outside the box-break out of it altogether. What clients and readers are saying about life coach, mentor, and motivational speaker Bruno LoGreco: As a divorced mother of three, I ve encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and...
