Girl to Mom, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In the tradition of Jodi Picoult, CROOKED LOVE is a novel, a ticking clock medical drama with a love story. It s based on the true story of the author s real life medical journey with her own baby boy: Every parent just wants a healthy baby. Kai Weston recovers from her grief following the sudden death of her mother, begins a new career and falls in love, joyfully discovering she s pregnant. Her fairy tale world is turned upside down, though, when her baby develops a potentially fatal form of scoliosis. Her husband-to-be, Teddy, abandons them and Kai receives dangerous medical advice from doctors that could destroy her baby s life and future. Terrified and alone in a frantic race to try to save her child, she discovers a shockingly unconventional medical treatment, finding friendship, hope and new love in the face of fear. But when Teddy reappears and endangers her son, the undertow of her life s upheaval threatens everything and everyone she loves. Progressive Infantile Scoliosis is a baby s or young child s own spine racing off course in a terrifying bid to crush their heart and lungs, if not stopped in time. You will laugh and cry and hold your own children closer after reading this gripping tale of a mother s love.
