Hunger Point

By Jillian Medoff

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Hunger Point, Jillian Medoff, "My parents may love me, but I also know they view me as a houseguest who is turning a weekend stay into an all-expense-paid, lifelong residency, and who (to their horror) constantly forgets to flush the toilet and shut off the lights." Twenty-six-year-old Frannie Hunter has just moved back home. Bright, wry, blunt, and irreverent, she invites you to witness her family's unraveling. Her Harvard-bound sister is anorexic, her mother is having an affair, her father is obsessed with the Food Network, her grandfather wants to plan her wedding (even though she has no fiancé, let alone a steady boyfriend), and, to top it off, Frannie is a waitress who wears a dirty duck apron and serves plates of fried cheese to her ex-boyfriend's parents. By turns wickedly funny and heartbreakingly bittersweet, *Hunger Point* chronicles Frannie's triumph over her own self-destructive tendencies, and offers a powerful exploration of the complex relationships that bind together a contemporary American family. You will never forget Frannie, a "sultry, suburban Holden Caulfield," who critics have called "the most fully realized character to come along in years," (Paper) and you'll never forget *Hunger*...

Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composed this pdf.

-- **Ryder Nolan**

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It's been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modify the way I think.
