Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

Mushroom Model Publications. Paperback. Book Condition: new. BRAND NEW, Douglas F3D Skyknight, Jose Fernandez, The F3D was designed after World War II as a carrier-based all-weather night fighter aircraft. It saw service with the United States Navy and United States Marine Corps. While it never achieved the fame of the F-86 Sabre or other contemporary aircraft, it downed several MiG-15s as a night fighter over Korea with only one air-to-air loss. It also served as an electronic warfare platform in the Vietnam War. The design, development and operations of these aircraft are described in detail, illustrated with many previously unpublished photographs. Colour schemes and markings are described and illustrated with full colour profiles; includes fold-out plans in 1/72 and 1/48 scale.
