Amulet Books, United States, 2010. Paperback. Book Condition: New. Reprint. 196 x 128 mm. Language: English . Brand New Book. Now in paperback! Pass, and have it made. Fail, and suffer the consequences. A master of teen thrillers tests readers courage in an edge-of-your-seat novel that echoes the fears of exam-takers everywhere. Ann, a teenage girl living in the security-obsessed, elitist United States of the very near future, is threatened on her way home from school by a mysterious man on a black motorcycle. Soon she and a new friend are caught up in a vast conspiracy of greed involving the mega-wealthy owner of a school testing company. Students who pass his test have it made; those who don't, disappear . . . or worse. Will Ann be next? For all those who suspect standardized tests are an evil conspiracy, here's a thriller that really satisfies! Praise for *Test* Fast-paced with short chapters that end in cliff-hangers . . . good read for moderately reluctant readers. Teens will be able to draw comparisons to contemporary society's shift toward standardized testing and ecological concerns, and are sure to appreciate the spoofs on NCLB. School Library Journal Part mystery, part action thriller, part romance . . . environmental and political overtones . . . fast pace and unique blend of genres holds attraction for younger teen readers. Booklist.
