## On Living and Dying Well

---

By Marcus Tullius Cicero

Penguin Books Ltd, United Kingdom, 2012. Paperback. Book Condition: New. Reprint. 196 x 128 mm. Language: English . Brand New Book. In the first century BC, Marcus Tullius Cicero, orator, statesman, and defender of republican values, created these philosophical treatises on such diverse topics as friendship, religion, death, fate and scientific inquiry. A pragmatist at heart, Cicero's philosophies were frequently personal and ethical, drawn not from abstract reasoning but through careful observation of the world. The resulting works remind us of the importance of social ties, the questions of free will, and the justification of any creative endeavour. This lively, lucid new translation from Thomas Habinek, editor of Classical Antiquity and the Classics and Contemporary Thought book series, makes Cicero's influential ideas accessible to every reader.
