Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Mictlan Press, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Thirty-six-year-old Irene Dunphy didn't plan on dying any time soon, but that's exactly what happens when she makes the mistake of getting behind the wheel after a night bar-hopping with friends. She finds herself stranded on earth as a ghost, where the food has no taste, the alcohol doesn't get you drunk, and the sex, well, let's just say don't bother. To make matters worse, the only person who can see her—courtesy of a book he found in his school library—is a fourteen-year-old boy genius obsessed with the afterlife. Unfortunately, what waits in the Great Beyond isn't much better. Stuck between the boring life of a ghost in this world and the terrifying prospect of three-headed hell hounds, final judgment, and eternal torment in the next, Irene sets out to find a third option—preferably one that involves not being dead anymore. Can she wipe the slate clean and get a second chance before it's too late?.
