HarperCollins, 1987. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: I was ready for the first day of middle school to be bad, but its worse than I imagined. My best friend Becca missed the bus; I cant find my way around the school; I still havent found Becca; I dont see any of my friends; and every time the bell rings, I have to worry about getting to the next class on time.The phys. ed. teacher sounds like a prison guard. Math class is even worse. Ive been sent to the principals office.and its not even my fault. No wonder they call it middle school. Youre stuck in the middle between little kid and grown-up, just trying to make your way out of the confusion. But some kids actually look happy here. Does that mean theres a chance things will get better?.
