

Yash Chopra: Fifty Years in Indian Cinema

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

YASH CHOPRA: FIFTY YEARS IN INDIAN CINEMA

[DOWNLOAD](#)

Lotus/Roli Books, New Delhi, India. Hardcover. Book Condition: New. Dust Jacket Condition: New. Yash Chopra: Fifty Years in Indian Cinema looks at one of the most charismatic and powerful figures within the Indian film industry - his name being synonymous with romantic glamour and a certain style within Indian culture. From his directorial debut in 1959 with *Dhool ka Phool*, the book spans his four decades as a director, describing some memorable classics, including *Deewar* and *Kabhi Kabhie*. It journeys with him to his advent as producer in 1973, enumerating his enormous box-office hits during the nineties, including *Dilwale Dulhania le Jayenge*. It encompasses the other genres he successfully delved into with films such as *Darr* and *Mashaal*. The author examines how Chopra has transformed the look of popular Indian cinema through tireless innovation within a mainstream tradition; his professional relationship with megastar Amitabh Bachchan; the influence of others, particularly Raj Kapoor, on his cinema; and his legacy as being developed by his son, Aditya Chopra. These analyses are complemented with insights and comments on the man and his oeuvre, through interviews with his family, his colleagues, his stars, his contemporaries and his critics. Printed Pages: 256.
