But before the hearing can conclude, Walter flees the country, leaving behind his family and a key witness lying dead, apparently having committed suicide. Nineteen years later, Nick gets a second chance to discover the truth when a beautiful journalist brings a message from his long-lost father, and Nick follows her into Soviet-occupied Prague for a painful reunion and the discovery of a secret that changes everything. To unravel the lies Nick must return to where it all began and expose the one person who knew the truth - and who watched his family's destruction. Trust no one in this compelling, surprising thriller from the author of Leaving Berlin and The Good German.
