So when an assault team strikes, Slaton is taken by surprise. He kills one man and manages to escape. Half a world away, in the baleful heat of the Amazon, an obscure air cargo company purchases a derelict airliner. Teams of mechanics work feverishly to make the craft airworthy. On the first flight, the jet plunges toward the ocean. The CIA assesses the two spectacles: a practiced killer leaving a trail of bodies across Europe, and a large airplane l disappearing without a trace. The two affairs are increasingly seen to be intertwined. Langley realizes the killer is a 5 man long thought to be dead, and the lost airliner has been highly modified into a tool of unimaginable terror. 1 When their worst fears are realised, Langley must trust the one man who can save them: David Slaton, the perfect assassin.
