Lyons Press, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Introduction Why Vince Lombardi remains not only relevant, but revered. What he meant to the team, the region around Green Bay, the NFL and the game of football. His philosophies of life, athletics, and motivation, and his approach to the X's and O's of his sport. Sample play: A three-receiver pattern for third-and-long situations Chapter 4 Green monster: Lombardi's defense While Lombardi is known primarily as an offensive coach, his defense sent at least five players to the Hall of Fame defensive end Willie Davis, defensive tackle Henry Jordan, middle...
