Brand New Book ***** Print on Demand *****.LEARN:: How to Forever Eliminate Writer s Block and Write THOUSANDS of Words a Day Do you struggle to write every day? Many people dream of becoming a successful author, but can t *find* the time to write. The truth is this: Great writers don t have more time than you do. They make time to write. Not only do they make time, they also follow specific routines that help them avoid writer s block altogether. By developing the writing habit you ll have the confidence to sit down in front of a computer every day, knowing the words will come. YOUR GOAL:: Write 2,000 Words a Day -- Every Day! One of the key factors to effectively developing ANY habit is choosing a specific, measurable goal. So if you want to become a prolific writer, then you ll need to choose a specific word count for each day. While I *suggest* 2,000 words as a goal, you can pick any number that fits in with your busy schedule. You might choose 500 or 1,000 words a day. Or, you might have more time than I do (or write faster than I do) and choose to write 3,000 or 10,000 words each day. The important thing is to establish a daily word count goal and then stick to it. In Writing Habit Mastery you ll learn how to incorporate writing into your daily routine. What you ll get is a strategy and list of tools that will help you develop a sustainable writing habit and demolish writer s block.
