

Post Everything: Outsider Rock and Roll

By Luke Haines

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Post Everything: Outsider Rock and Roll, Luke Haines, In Post Everything, Luke Haines demonstrates that the only way to survive the tyrannical scourge of Britpop is to become an Outsider. The 'avant-garde Arthur Scargill' calls upon the nation's pop stars to down tools and go on strike. We learn the story of Haines' post-Britpop art house trio Black Box Recorder (Chas and Dave with a chanteuse), we meet a talking cat, two dead rappers (Notorious B.I.G. and Tupac Shakur), and a mystical England football manager. Haines even finds time to write a musical for the National Theatre. Blisteringly funny and searingly scathing, Post Everything may quite possibly be the first and only truly surreal comic rock memoir. It even contains a killer recipe for scrambled eggs.

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
