It is tightly written with lots of practical ideas rather than endless waffle and extremely relevant in this current climate. Benjamin shares some interesting case studies so you can see what actually works. Basically you can read this while building your business plan. Recommended. Mr W A Baker I really enjoyed this book and am trying to follow through all the recommendations with my online business. Hopefully it will prove to be worth it. Amanda Are you worried about starting a business? Unsure where to start? What if you had everything outlined within one book that would turn your ideas in to a workable reality? It s an appealing idea, particularly in the current economic climate to start your own business. Benjamin Bonetti s book *Entrepreneur s Always Drive On Empty* is based on his own entrepreneurial experiences and business start up challenges. He outlines the most important business start up rules and offers proven quality advice on how to overcome and move on. Understand the principles behind surrounding yourself with professionals. Achieve the motivation to keep your foot hard down on the motivational pedal. Take crucial insights from a seasoned entrepreneur in various markets and industries. Learn how to work on what you love and build something worth shouting about. As a business speaker, Benjamin has delivered practical business advice to thousands of successful entrepreneurs and now he can help you. If you think it s your time to attract, money, fulfillment and recognition then this book can truly show you how. Benjamin s words: I could never understand what separated the rich from the poor, the happy people and those who seem to be constantly...
