Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

BIKES AND BOARDS

Teacher Created Materials. Paperback / softback. Book Condition: new. BRAND NEW, Bikes and Boards, Lisa Greathouse, Students will be amazed to discover that every time they climb onto bicycles and ride like the wind, they are defying gravity! This book explains the physics and history behind bicycles, skateboards, and surfboards. Students learn what happens from the simplest movement of rolling forward to more complex tricks and stunts of jumping and spinning. Students will never look at bikes, skateboards or surfboards the same way again.
