Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

4 STATEMENT OF HON. CRAIG THOMAS, A U. S. SENATOR FROM WYOMING Senator C. Thank you, Mr. Chairman.
RAIG I, too, appreciate the opportunity for us to have this hearing. This was hotly debated during the Farm bill,
of course. I was one of the sponsors and was pleased to get it through here, so I appreciate your commitment
to continue to look at it. In my opinion, a ban on packer ownership would make tremendous strides increasing
market competition, and that is basically what we are for. I don't know that we know the magic answer. I believe
additional regulations here are necessary. The Packers and Stockyards Act does not clearly define and address
this issue. Usually, I am one who does not want to interfere in the business and have additional government
regulations. In the case of these markets, I believe the competitive market has nearly disappeared. We need to
move forward, and I will just cut my comments short. We do find, of course, that we have control, 80 percent of
it, just by a few operators here. Producers are price takers in the marketplace. Captive supply is a growing
problem. We see an increasing difference between the price to producers and the price to consumers. There
needs to be something done about this. I look forward to the committee today, and we will keep forward on this
issue. CHAIRMAN The C. Thank you very much, Senator Thomas. I know how hard you have worked on this issue
also, back in the committee and on the floor. I appreciate that very much. Senator Nelson. STATEMENT OF
BEN NELSON, A U. S. SENATOR FROM NEBRASKA Senator N. Thank you, Mr. Chairman. I want...
