Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

HOUGHTON MIFFLIN, United States, 2009. Paperback. Book Condition: New. Reprint. 190 x 130 mm. Language: English . Brand New Book. This is the paperback edition of one of Mary Dowing Hahn s most gripping and personal stories. Culled from her memories of growing up under the shadows of WWII, this story has touched young readers for more than fifteen years. We are so excited to have it back with us in paper, with a fantastic new cover, available for young readers for many, many more years to come. Margaret and Elizabeth support everything about the war: the troops, the reasons for going to war, even the food rations. After all, this is the good war and the Americans are the good guys. But when the girls stumble upon a classmate s secret, their feelings about the war begin to change. Is it really a good war? Is there ever such a thing?.
