Showing different characteristics in other high school students and teachers on the teaching process needs, we understand the following two aspects: 1. Subjects increased. Billing Division of the reduced learning time. teachers classes. a knowledge point may only say again. the high school to reflect the method of coaching, the teacher and students' autonomous learning, learn by analogy, not like junior high school as exhaustive. Now new curriculum teaching materials are uncertain. a short period of classroom time. teachers can not be heavy and difficult knowledge and uncertain knowledge clearly explained. or the words that students do not understand. The students did not understand, there is no way to obtain from the materials on the solution. And so we design Bentaocongshu main function is to solve the problems of review. after-school classroom knowledge to conduct a timely review. digest. to make up for lack of classroom teaching to make up for lack of teaching materials to explain. and also take into account the preview features and functions. Guide students to effectively preview before class. after-school part of the heavy and difficult knowledge to expand, summarized the problemsolving approach, play better, the sublimation of the role, Compared with similar books, Bentaocongshu have three major characteristics: First. the practice is more emphasis on relevance and effectiveness. Similar books in general to focus only explain part of the knowledge points. ignoring the practice part. We believe that a key part of these books should be the practice followed by the explanation of knowledge. Our practice, focuses on teaching materials. knowledge points. a comprehensive. heavy and difficult outstanding level of clarity. examine ways and novel materials. In...
